“My clients’ lives (and mine) are so busy and hectic, it’s amazing to be able to just pick up the phone and call CORT and have the new home part just be taken care of. Everything, just done. I tend to go to great lengths to make sure my clients are happy and satisfied, and with moving, CORT does the work for me!”

— Sports agent

“I admit, being married to a NFL pro can be hard. We have to uproot the kids every few years, I’m not picking the city where my family’s moving next—but CORT makes one thing so easy. They take care of all of the furniture—which is so gorgeous—from the linens to the kitchen stuff. It’s such a blessing.”

— Player’s wife

“I’ve been playing in the NFL for 9 years now, which means I’ve lived all over the country. I’ve gotten to work with CORT on almost all of those moves—they’ve made them a total breeze. My house always looks amazing, which my wife loves. And it’s great not having to worry about moving when I’m training all day.”
